

JAPAN, WE ARE ONE

**Japan ! We are one Japan !
Japan ! We are one Japan !
Because man is one Japan,
We are all one with you.**

**The shakes are all gone, Japan,
That wave is back home, Japan.
Stand ! Take my hand, Japan,
Come and cry in my arms.**

**Japan, my friend ... we are one,
The Earth is one with Japan.
In our Home we are one,
We all stand for Japan !**
